

# State of the Ozarks General Store

• ONE-STOP OZARK ROADSIDE STAND •

## Nothin' imported here!

In our day of fancy, secure websites and firewalls and stolen identities, how am I supposed to make online ordering safe, simple and easy?

Now that you've downloaded this order form, just fill it out, showing what you want and how much. Tally up the columns, and mail it in with a check or money order.

Safe. Simple. And pretty darned easy.

A man was telling a friend about a 10-pound Lake Taneycomo trout he had caught while on his Ozark vacation.

"Ten pounds!" said the other. "Were there any witnesses?"

"Of course there were witnesses," said the fisherman. "Otherwise it would have weighed 20 pounds!"
